Thank you to everyone who contributed to the Spartan Athletic Booster Club through membership, concessions and clothing purchases. Through the past contributions we were able to purchase numerous items for the school/athletes such as: Conference champ t-shirts, summer camps for different sports, donation towards the stadium lights and football scoreboard, record boards for basketball, conference banners in the Spartan gym along with upgrades in our concessions and the list goes on. We are also able to award three \$1000 scholarships to senior athletes each spring!
