

OLCHS ATHLETIC/ACTIVITY ROSTER FEES

2011-2012

Students participating in extracurricular activities during the 2011-12 school year will be assessed a “roster” fee. The fee will assist the school district in partially offsetting the costs of sponsoring the programs. The “roster” fee does not replace traditional team/club fundraising nor does it replace traditional club/team items that are purchased by the student/parent (special team hats, shoes, costumes, etc).

Fees:

Athletic Participation: \$75.00/per sport

Activity Participation: \$25.00/per activity

Maximum fee per student \$150.00

Students will be assessed a “roster” fee in the following manner:

Student-athletes and students on competitive activity teams (Speech, Chess, etc.) will be assessed a “roster” fee if they are a member of a team for the first contest. Students who join teams after the first contest will be assessed the “roster” fee upon joining the team.

Students in non-competitive activities (Visual Arts Club, National Honor Society, etc.) will be assessed the “roster” fee if they have established themselves as a club member by September 30th. Students who join non-competitive activities after September 30th will be assessed the “roster” fee upon joining the club.

Fees will be charged to the students account and can be paid at any time through the business office.

The “roster” fee does not guarantee the student playing time or any other automatic eligibility.

The “roster” fees are non-refundable. This includes but is not limited to students who quit the extracurricular team/club, become ineligible for academic and non-academic reasons, or are removed from the team/club by the coach/sponsor.

Students who fail to pay their “roster” fees may be ineligible to participate in the driver education program, special events such as prom, and/or the following year’s extracurricular programs.
