

WORD OF THE WEEK:

EPIPHANY

e·piph·a·ny (ī-pīf'ə-nē)

PART OF SPEECH/DEFINITION:

- NOUN**
1. A sudden manifestation of the essence or meaning of something.
 2. A comprehension or perception of reality by means of a sudden intuitive realization.

SENTENCE: Right before he entered the room to take his final exam, the student had an epiphany, and he suddenly understood everything about the subject.
