

# ***WORD OF THE WEEK:***

## ***TURGID***

tur·gid (tûrjd)

### ***PART OF SPEECH/DEFINITION:***

- ADJ.:**
1. Excessively ornate or complex in style or language; grandiloquent.
  2. Swollen or distended, as from a fluid; bloated.

**SENTENCE:** Instead of simply saying what he wanted to say, the author used an excessively turgid style of writing that tried to say too much and say it too fancifully.
