## 12<sup>th</sup> Grade Entrance Health Requirements

Dear Parent/Guardian,

According to our records, your child has not submitted evidence of completing the Meningococcal Vaccine Requirement per Illinois State Law, Public Act 098-0480. The Immunization requirement consists of one dose of the MCV4 vaccine if it was administered to a child who was 16 years of age or older. **Two doses for 12<sup>th</sup> grade entrance are required if the first dose was administered before the child was 16 years of age.**

Proof of this requirement is to be submitted prior to June 1<sup>st</sup> in order to avoid any exclusion. If you have any questions regarding this matter, please call the Nurse's Office at 708.741-5640.

Healthy Regards,
