NEW: OLCHS AP Boot Camp

July 16, 2018

Dear Parent/Guardian:

Your student is currently enrolled in one or more pre-AP or AP courses for the first time. This includes English 1 Honors, AP World History as well students in English 2 Honors and AP English Language who are new to advanced courses.

We are excited to offer your student the opportunity to learn about the expectations of these courses, receive support on summer assignments, and meet future teachers and classmates during our one-day AP Boot Camp. AP Boot Camp will take place on Monday, August 6, 2018 from 9:00am to 2:00pm. Lunch will be provided.

The goal of AP Boot Camp is to help students develop the knowledge and skills to successfully complete their first honors or AP course by starting off on the right foot. This year, AP Boot Camp is geared specifically towards the English and history courses. Students will learn about the expectations of advanced coursework, skills needed for reading complex texts, study strategies, and how to develop support systems. Students will also have an opportunity to meet veteran AP students as well as to work on their summer assignments.

Additional information can be found on the school website at www.olchs.org. Look for the AP Boot Camp banner at the bottom of the page.

We hope your student is able to attend this year's AP Boot Camp on Monday, August 6, 2018.

Please do not hesitate to contact me with questions.
