

OAK LAWN COMMUNITY HIGH SCHOOL ATHLETIC BOOSTER CLUB

MISSION STATEMENT:

“Our mission is to help support an environment in athletics that focuses on leadership, strong work ethic, teamwork, discipline, and sportsmanship. As an athletic parent organization, we exist primarily to raise money for all athletic programs and increase parent and community involvement at all our athletic events.”

PARTICIPATION COMMITMENTS:

- Promote and support the athletic department and each individual program and be a paid member.
- Fulfill all the assigned duties that come with the executive and/or departmental position.
- Attend monthly meetings held in the athletic conference room on the last Tuesday of each month at 7 p.m. (some dates can change due to holiday or special event).
- Assist when available in the concession stand for football, volleyball, and basketball. This includes the set-up and breakdown time before and after the event.
- Assist with apparel sales throughout the year when available.
- Assist in getting memberships, both at home athletic events and at designated school events.
- Assist in preparing for, and running the sports awards ceremony snack tables.

SUMMARY:

Like all high school athletic departments, our overall success is dependent on three key stakeholders: athletes, coaches, and parents. OLCBS prides itself on hiring highly qualified coaches that make it their top priority to provide a safe, nurturing, and competitive experience for all athletes. Our athletes, through their hardwork, represent what is best of our school to the community and beyond. We are always looking for equally dedicated parents that want to help our athletic department grow in what it can provide our athletes and coaches. Most of the work in this organization revolves around increasing paid memberships, apparel sale, running concession stand, and voting on how to best give back the money raised to our athletic programs. Members of the executive team will work with the Athletic Director on preparing for meetings, ordering and stocking concession stand, including helping get parents to sign up to run, as well as increasing our membership throughout the year. End-of-Year tasks also include preparing Booster Club scholarships and preparing organization tax documents.

PLEASE CONSIDER BECOMING AN ACTIVE MEMBER FOR NEXT YEAR!
