- PLEASE NOTE:** In order for your student to receive a Ventra Card there are 2 different forms that need your attention.
- 1 form is for returning students who had a Ventra card for the 2017-2018 school year. This form needs to be filled out and returned to the Business Office for confirmation of the student's enrollment in the 2018-2019 school year, the form is then returned to the student for the family to fax/email back to Ventra.
 - 1 form is for brand new students who have NEVER had a Ventra card while attending OLCCHS. This form needs to be filled out by the parent and mailed to Ventra along with a processing fee. Your student's card will be mailed to the school within 7-10 business days. The card will then be delivered to your student. When you receive your new Ventra Card you will have to activate it using the instructions included with your new card.
Once you've activated your Ventra Card, it can be used as soon as you add transit value.

The bus route returns to each morning bus stop in the afternoon, however, the afternoon route is not necessarily in the reverse order. Return pick up is from Austin Avenue after school is dismissed. The route is subject to cancellation at any time because of low ridership.

Please call Pace at the number below or access the website for exact bus stop locations and times.
