

# Connect to Server

Have you lost your H: or P: drive? You do not need to restart. You can connect to the server through Finder.

Open Finder

Click on Go, Connect to Server

To connect to your **H: drive**, add the server address – **smb://cerulean.olchs.org/staff/your username**

To connect to the **P: drive**, add the server address – **smb://cerulean.olchs.org**

To connect to the **H: and P: drive from home**, add the server address **https://onlinefiles.olchs.org**

You can add these to your favorites by clicking the plus sign

If it asks you to sign in, use your school username and password.

You may have to choose a drive to connect to,  
Staff = H: drive
